5th International Conference on Faculty Development in the Health Professions

International Faculty Development
in the Health Professions

Mark your calendars for the 5th International Conference on Faculty Development in the Health Professions held in conjunction with the Royal College of Physician and Surgeons of Canada's 2019 International Conference on Residency Education.

This conference brings together international faculty development leaders and educators in the health sciences to share best practices and current research in faculty development, and to foster a global community of leaders and educators in the field.

Join international leaders and educators in Ottawa, Canada in September 2019!

Spots are limited – Register early to avoid disappointment.
